

Thank You, God – **Friend of people** –
for Your sweet companionship during these difficult global times. You said You would never leave us or forsake us. Thank You for new beginnings – each new day, every meal, encouraging conversations, tiny bits of good news, each positive perspective adopted. These new beginnings help us stay focused and balanced. We place ourselves in Your over-care during these troubled times. “We praise You with our souls, with all our inner beings. We praise Your holy name.”
We love You back.

Thank You, **Creator of all things**,
for making us in Your image. You made it possible to know You and share Your joy each day. Because we are made in Your image, we can solve problems and find solutions. Please help humanity find a cure and vaccine in this pandemic. You know every detail of this viral threat. “We are mortals made from dust and our lives are short – like flowers in a field. You work righteousness and justice for all the oppressed.” Yet, You empower us to do great things in Your name.
We trust You, and **we love You back.**

Thank You, **Father – Daddy – our Abba** –
for loving us as Your children. We praise You for giving us a place in Your royal family. Help us conduct ourselves like royalty even in these hard times. Enable us to reach for our best responses and for practical solutions. May we always see Your likeness in one another and love each other as You love us. “As a father has compassion on his children, so You have compassion on those who respect You. You make Your ways known to us. Your righteousness is with our children . . . and their children as we all resolve to keep Your ways.”
We love You back.

Thank You, Jesus – **Emmanuel** –

for becoming one of us . . . God with us forever! It is unbelievable that You squeezed Your greatness into a tiny baby body to identify intimately with us. Flesh joined to flesh. You are our Brother, *"slow to anger and abounding in love."* In these fear-filled days of unknowns, You bear the burdens we bring to You. Help us let go of them into Your excellent over-care. We thank You for sharing in our trials as a human and as God. As the God-man, You grew up as a visible person, a model of how to please our Heavenly Father. You show sincere compassion for our sufferings. Help us trust Your love deeply. Thank you for hope.

We love You back.

Thank you, **Man of Joy,**

for teaching us about the "magic" of Your creation. Wonders surround us every day. Blessings co-exist even with our troubles. *"You satisfy our desires with good things and renew our youth like the eagle's."* Teach us to focus on Your good gifts, to hope in Your promises, and to live inside Your power. Open our eyes to see more of Your beauty. *"Praise the Lord, all His works everywhere in His dominion."*

We love You back.

Thank You, **Man of Sorrows,**

for taking our sins away from us and absorbing them into Yourself on the cross. We are sorry for our wrong-doings. Please forgive us of all our sins and make us holy like Yourself. *"You forgive all our sins. As far as the east is from the west, so far have You removed our sins from us."* Thank You for caring about our sorrows, our disappointments, and our losses. We have many of them on our globe today. You walk the path of suffering with us during this pandemic.

We love You back.

Thank You, **Spirit of God,**

for living inside our hearts as we trust Christ for salvation. We are Your "holy of holies." What an undeserved privilege! You comfort our hearts as we lean into You in these desperate times. You never leave us, and You give us Your peace. Teach us God's ways, and help us surrender increasingly each day. Teach us how to be a living sacrifice. Make us pure and holy like You are. *"From everlasting to everlasting Your love is with us as we trust You deeply."*

We love You back.

Thank You, **Shepherd,**

for Your rod and staff. They correct us when we slip off the path of faith. They scoot us forward when we are afraid. They discipline us when we are self-sufficient and stubborn. Please use Your shepherd tools to keep us on a good path in these very hard times. We accept Your guidance, courage, and discipline. *"You are slow to anger, abounding in love. You will not always accuse or harbor justified anger forever. You do not treat us as our sins deserve."* So, we cling to Your love, and

we love You back.

As high as the heavens are above the earth, so great is Your love for us as we trust You."* We accept Your gifts of hope and peace by faith.
